

**BROCKVILLE WOMEN'S  
NETWORK**

*Over 30 Years of  
Women Supporting Women*

Hello everyone.

The month of October has come and gone and not too many days left before the snow starts flying. Let's enjoy a stroll outside to witness the beautiful colours we have here in Brockville while we can.

I hope everyone has received our email regarding our Fund Raiser for this year.

I am excited not only to donate to such a worthy cause, BUT I also get to go through my house and unclutter it. Like the old saying—Killing two birds with one stone

In October we had the ladies from our Brockville Library come and enlighten us on what the Library does and how they help within our community.

To follow them our Guest Speaker is Maggie Wheeler. She is a local Author in the area.

She is the Seaway Valley's Queen of Crime, Maggie Wheeler has spent almost two decades showcasing the social, cultural and psychological impact of the St. Lawrence Seaway and Power Project on Canadians affected. She is the author of the best-selling "Lost Villages" historical murder mystery

Sounds like an exciting night for us ladies. Bring a friend or family member to enjoy the night with you.

Together we need to continue the goals that Agnes Lor and Dorothy Cunningham created back in 1982

1. Make contact with each other
2. Support one another at all levels
3. Promote a sense of professionalism and self-esteem
4. Promote mentoring
5. Create a forum for the exchange of information including member's new products or services

I look forward to seeing you all on November 8<sup>th</sup> 2018.

Debbie

**Author's Bio 2018**

As the Seaway Valley's Queen of Crime, Maggie Wheeler has spent almost two decades showcasing the social, cultural and psychological impact of the St. Lawrence Seaway and Power Project on Canadians affected. She is the author of the best-selling "Lost Villages" historical murder mystery series, which has garnered a nomination for the Ontario Premier's Awards for the Arts, an Ontario Provincial Hansard, and the "people's choice" Seeker's Award for *Literary Artist of the Year 2013*. In January of 2017, Maggie was named *Ottawa's Favourite Female Author* by FACES Magazine Annual Awards—and was again a finalist for the award in 2018.

The series has been used to teach English and history from intermediate to post-secondary levels in Eastern Ontario and Upper New York State.

Since 2001, her work with the Seaway history has kept Maggie on the public speaking circuit and in the media at local, regional, national and academic levels. Her most recent contribution is the "Lost Villages" article for *Historica Canada's The Canadian Encyclopedia*—the official national online resource for all things Canadiana.

Maggie recently launched her fifth Lost Villages novel, *All My Worldly Goods*, researched and written with the generous support of the Canada Council for the Arts. In 2018, Maggie was awarded the Seeker's Choice Award for *Literary Artist of the Year*, for the United Counties of Stormont, Dundas & Glengarry.
