### **A note from our President,**

Happy Cold Weather everyone.

Just think in 59 days it will be April and the snow will be leaving us.

I hope the Groundhog does his thing on Saturday and our spring comes quick

I really enjoyed Mandy Armstrong presentation in January and I also used her for my warm weather getaway. I would recommend her to any of you. She was great, fast and friendly.

Our February meeting is on Valentine's day and I encourage each of you to bring someone special. Can be your spouse, friend or family member bring someone and share your night with us.

### **What has everyone been doing this past month??**

Candy & JoAnne went to Mexico to watch the rain!

Mary Craddock took a spin on her new ride!

Debbie MacDonald escaped to the tropics to warm up!

Wendy Galloway went to conference and forgot what she did for a living, so she had to ask people on Facebook to remind her!
